

Editorial Policy:

'Living Green' is the newspaper of the Life Style Movement.

(See the Life Style Commitment and the Life Style Guidelines on later pages)

Articles received/printed, and their views expressed, are not necessarily those of the Movement.

⇒The editors deal with editorial material, only; and are not responsible for address changes, subscriptions, etc.

⇒We welcome any contributions from members or other readers, and include them where space permits.

⇒We do not normally acknowledge letters unless so requested.

⇒We reserve the right to edit anything we receive.

⇒We publish full addresses of contributors, if requested or provided, to enable people to contact each other directly.
